

At this turning point in European history, **YES BREIZH**

Yes Breizh calls on everyone
ready to act and work together
for a **Brittany** that decides
its own future.

WHO ARE WE?

Yes Breizh is a movement that brings together
everyone committed to building, together,
a Brittany that is freer to make its own choices,
stronger and more united.

We work to ensure that more decisions
affecting Brittany are made **in Brittany**,
as close as possible to the people and
realities of our country.

**YES BREIZH
IS NOT A
POLITICAL PARTY.**

Our movement is **open**,
independent and **non-partisan**.

WHAT WE STAND FOR

Giving Brittany greater
powers and **responsibilities**

Protecting our **languages**,
culture and heritage

Building a more **innovative**,
sustainable and job-creating economy

Protecting our **environment**
and natural resources

Building a **responsible** Brittany,
open to the world and ready for the **future**
